## 2. Chapter 2

\*\*Remember Hiccup\*\*

that's right i'm back baby. Thank to all of you who favorited and  
followed remember hiccup. In case you didn't notice remember hiccup  
and remembering hiccup are the same exact story. I accidentally  
uploaded it twice. In case you haven't noticed I aam a horrible  
speller.

Anywy this is based on dragons riders of berk heather report part 2  
were alvin says that they would make a good team.

\*\*On Outcast Island\*\*

hasn't that boy woken up yet? Alvin asked savage.

Not yet sir. We could really use his help right about now though.  
Said savage.

Well what are you going to do about it. Said alvin.

What do you mean what am I going to do about it? Asked savage.

What I just said. W-h-a-t a-r-e y-o-u g-o-i-n-g t-o d-o a-b-o-u-t  
i-t! Said alvin.

Umm. I going to go check up on hiccup right now sir.

You better. We wan't that boy alive if were ever going to ride  
dragons. Said alvin.

Hows the boy doing. Savage asked healer mudtooth.

Well he's lost a blood but he'll live.

You hitting him in the head with that ctapult defintaly didn't help.

Said mudtooth.

Well how else are we supposed to get him to help us. Ask him politely.

We tried that twice already and it didn't work. said savage.

What do you mean asked him politely!? The first time was a raid/kidnapping.

The second time was more of an ambush/kidnap. Said mudtooth.

Just tell me when the boy will wake up. Said savage.

At this rate two days if he's lucky. Said mudtooth.

What do you mean two days were under a dragon raid and alvin wan't him now. Said savage.

Well I guess he'll have to wait won't he! Said mudtooth.

Fine you weird old man. I'm a woman. Said mudtooth.

Whatever you say ugly. Said savage.

This plan better work whispered mudtooth.

\*\*Berk A Day Earlier\*\*

okay you guys here the plan said snotlout.

Wait a minute snotlout has a plan said fishlegs.

Hey I can be smart to.

Anyway one of us will disguise themselves as an outcast and find out where they have hiccup.

They'll signal the rest of us and we go get him and bring him back to berk.

Wow snotlout that's actually a great plan. Said astrid.

So you'll go out with me. Said snotlout hopefully.

uh... NO. said astrid.

It was worth a shot, said snotlout.

Anyway I volunteer ruffnut. Said astrid and tuffnut.

Fine I guess i'll do it. Said ruffnut.

Okay we leave for outcast island tommorow oh and no one tell stoic.

Agreed said snoutlout

agreed said all the teens in unison.

\*\*Outcast Island Present Day\*\*

a small light had flashed.

You guys that's the signal. Said fishlegs.

Okay then let's go get hiccup. Siad astrid ethunsiactly.

You guys I got hiccup lets get out of here. Said ruffnut tired after running and carrying hiccup.

He's actually pretty heavy for such a small thing. Said ruffnut  
come on we already got the dragons lets get out of here. Said tuffnut.

Alvin there are five dragons flying away yet thiers nothing destroyed. Said savage.

Why would they be doing that said alvin?

Oh no. it's those kids and they got the boy back. Said a verry woried savage.

\*\*WHAT!\*\*

HA ha cliffly. How do you like me now. Keep on reading folks.

### 3. Chapter 3

\*\*Remember Hiccup\*\*

\*\*thanks to al my loyal followers and people who favorited this story and me. Sorry I haven't uploaded in about a month or 2 anyway you get the point but I had midterms, quaterlys and afterschool math. Anyway here is remembering hiccup chapter 3. \_ this will be dragonese.\_\*\*

those little brats. We didn't even get the chance to train those dragons yet. Said alvin.

Well I have an idea oh almighty alvin. Said savage.

Well out with it then bonehead. Said alvin.

We do what we did before. Just go to berk and take the biy. Who knows this time he may come willingly. Said savage.

That's a brilliant idea. Glad I thought of it. Aliright everyone we have to make plans to attack berk. And this time we won't let him get away again.

\*\*BACK ON BERK\*\*

look stoic. I can see the kids dragons. Said gobber.

everyone had looked outside and say theat gobber was speaking the truth. They had immediately ran outside and started cheering as they now had theier hier back.

once the dragons had landed stoic had ran as fast as he could to great them.

Chef stoic. Said astrid. We have good news and bad news.

Well whats the good news said stoic.

As you can see we got hccup back. The bad news is he's unconscious and is badly injured. Said ruffnut.

Someone fetch the healer. Shouted stoic.

Hiccup was carried to gothis as she examined and drew what was worng with him.

Hmm. Said gobber. It appears that he took a pretty bad blow to the head but he'll live. Thank goodness said stoick. But he may have some mental problems.

A slight groan had startled all the people their. (Astrid, gobber, stoic, snotlout, ruffnut, tuffnut, fishlegs and gothi.)

wha. Where ami I. Mumbled hiccup. When he woke up he saw a bunch of strange faces then the face of a beautiful person.

Um can someone tell me where I am? Said hiccup more clearly this time.

Stoick had put hiccup into a bear hug. My boys alive. My boys alive.

Um mister can't breathe. Hiccup had barley got out before stoick had the sense to realize he was crushing him.

Sorry hiccup. I forgot how frail you are. Said stoick whispering that last part.

Okay who are you and how do you know my name. Said a very confused hiccup.

Wait what you don't know who I am. Said a very shocked stoick.

No sorry. Where's toothless. Said hiccup looking around the room and where am I?

Your on berk. Don't you rember. Said snotlout. Who to the suprise of everyone acutally looked and sounded very worried.

No sorry and can you tell me where toothless is already. Said hiccup.

I'll go get him hiccup, said ruffnut who went to get him as fast as she possiblt could.

Toothless! Toothless! Shouted ruffnut.

toothless heard his name called and gave a small warble.

oh there you are. Come on toothless we found hiccup. Said ruffnut.

He's at the healers right now.

Toothless ran to the healers like there was no tommorow.

A black bur busrt into the healers and had started to cuddle hiccup.

Toothless. I thought I would never see you again. Can you tell me what's going on he said in dragonese.

Everyone in the room was gobsmacked. Hiccup was speaking to toothless In his language.

\_\*\*Oh hiccup do I have a lot to tell you.\*\*\_

\*\*BACK ON OUTCAST ISLAND\*\*

okay I want ten of our steathiest warroirs to sneak onto berk under the cover of night. This time we aren't going to attack. Just slip in slip out and get that boy. Said alvin,

all the outcasts had nodded their heads in agreement.

Um alvin. Just one question. Said savage.

What would that be saaavaggee. Said alvin drawing his name out like it was poison in his mouth.

when are we attacking. Said savage.

All the outcats had actually thoguht that was a good question.

One week from now. Said alvin. Next time listen better.

\*\*Remember Hiccup\*\*

hello all of my loyal followers. sorry i haven't updated in a couple of months. finals and report cards. i hate school but thank goodness it's over. first a word to all readers, constructive criticism is appreciated. saying i'm a horrible writer because of grammar is not. don't like don't read. that simple. anyway the results of the contest is\*\*A Tie\*\* between\*\*Astrid and Ruffnut. \*\*with a total of 3 votes each. tuff nut came in secondwith 2 votes. very close. no one else got any votes. :( also for anyone who is interested their will be some outcast spies on berk. if you want to request your own character for one of the spies than please send it in. now without further ado remember hiccup chapter 5 \_dragons.\_

BERK

all the teens plus stoic were shocked at what had unfolded before their very own eyes hiccup was talking to dragons.

(fish legs p.o.v.) "oh my gosh hiccup was talking to dragons. this is so cool. maybe he'll teach me."

( astrid p.o.v) "the list of things hiccup can do constantly increases. first riding dragons now talking to them. hopefully toothless can tell him whats going on. maybe he'll even put in a good word for me."

(snotlout p.o.v) " great now hiccup can talk to dragons. now he'll be chief for sure. hmm. maybe he can tell hookfang to be nicer to me though."

(ruff nut p.o.v) "wow. he can talk to dragons now. he'll spend less time with astrid and more time with toothless. i might just have a chance here."

(tuff nut p.o.v) "hiccup can talk to dragons now hey maybe he can find batch and belt an enemy."

(stoic p.o.v) " hiccup has officially been cursed by loki. there is no doubt in my mind."

(toothless p.o.v) finally my lazy rider is up. he better go flying with me later.

(hiccup p.o.v) "\_hey toothless who are all these people?" asked hiccup nervously. "what do you mean hiccup these are your friends. and the big guy with the beard is your dad. how can you not recognize them." asked toothless.\_

\_ "hmm i don't remember them. i do remember waking up on outcast island. do you know how i got there bud?" asked hiccup. " outcast island. toothless shrieked but to the others it was just a loud growl. \_

\_ "hiccup outcast island is full of bad guys what happened there." asked a very worried toothless. "well i woke up and alvin found me injured. he told me my dad sent me on a suicide mission and that he had rescued \_

\_me. said hiccup the anger in his tone becoming more obvious by the minute. " hiccup what happened next?! try your hardest to remember. said a slightly scared toothless. "well i passed out then woke up here. \_

\_why? " \_

\_ "hiccup alvin lied to you. he just wants you to train his dragons so he can conquer berk. don't trust him." said toothless trying to hide the worry in his voice. "okay but only because it's you." said hiccup.\_

\_ " so toothless tells me your my friends. and that the bug red guy is my father. said a very confused hiccup."

" yes hiccup you remember us. dumb healers don't know what they what their talking about. amnesia my foot." said a now very confident stoick.

" i only know you because toothless said i did. you don't ring any bells. said hiccup.

" oh well will start from the beginning then. hopefully you'll remember at some point during the stories." said stoic as he begun his tales.

## Outcast island

" rotten kids taking the boy. they only wanted him now that he trained dragons. alvin muttered. left alone he would have been a great outcast."

" um Alvin not to intrude on your little speech but why did you want stoick's little embarrassment. " said a confused savage.

" because savage. i am not as young as i used to be and those ladies don't know a handsome man when they see one. so who will take over when i die?" said alvin

" um i don't know sir." said savage.

" exactly savage. i need an heir and who better than my own little nephew." said alvin darkly chuckling.

" stoicks your brother?" asked savage.

" yes stoic is my brother. its a long story. anyway nothing would hurt stoick more than seeing his own boy going against him." said alvin

" sir we are almost ready to depart." said a low level outcast.

" hurry up then." alvin screamed at the outcast. soon dear brother. align said while giving his signature laugh.

\*\*So how did you like that. stay tuned for more. also i have and idea for two new stories. i will write both i just want to know what you want to read first. #1 take place during the movie. hiccup is crowned prince of the dragons by toothless. and has to deal with dragon truing while keeping it a secret from his dad. #2 this is a httyd and fairy tail crossover. takes place after the movie hiccup falls through a portal into magnolia and he ends up becoming a dragon slayer mage and joins fairy tail. meanwhile everyone else is trying to figure out how to bring him home. loki must be laughing is but of. anyway read and review.\*\*

## 7. Explanations

\*\*Remember Hiccup\*\*

\*\*thanks to al my loyal followers and people who favorited this story and me. Sorry I haven't uploaded in about a month or 2. it's a mix of procrastination and sickness and laziness. Anyway here is remember hiccup. The paring with a total of 3 votes atrid and hiccup. Ruffnut and hiccup came in second with 2 votes along with tuffnut and hiccup. The others are forever alone.\*\*

\*\*Outcast Island\*\*

" Savage I would like to introduce you to someone who is going to help us capture Hiccup." said Alvin.

"Lane Samuel dire. Oh lane come here for a second." said Alvin

A girl with Short spiky somewhat curly shoulder length pale orange hair, bright big green eyes, light orangey pink small lips, pale rosy skin, freckled nose and cheeks wearing a pale brown long sleeved U neck , dark brown capries, brown boots, blue sapphire round locket.

"Yes Alvin what do you want." said lane annoyed.

" I want you to go to Berk and get my nephew." said Alvin

"And your nephew is?" said Lane.

" the heir to the Hairy Hooligans tribe Hiccup Horrendus Haddock the Third." said Alvin

" And he looks like?" Said lane getting tired of this endless back and forth.

"Auburn hair, green shirt, brown vest, pants and boots and a metal

left foot. You can't miss him." said Alvin.

"Thanks for the information i'll leave immediately." said Lane

"And me sir." said savage.

"You go with her and make sure she doesn't mess up. Remeber Heather."

" yes sir. Right away sir." said savage as he was leaving

" Soon hiccup soon." said Alvin

\*\*Island of Berk.\*\*

Toothless has explained everything that has happened to hiccup.

"\_Did all that really happened buddy. It sounds pretty made up." Said a doubtful hiccup.\_

" \_Yes it all really happened. Why don't you belive me." said toothless a little hurt.\_

" Hey hiccup you want to fill us in on your little converstaion." said snotlout " I bet it was about

me."

"Ugh snotlout you so self centered." said Astrid. "Anyway what was your converstaion about. "

" Oh. I forgot you guys were here. Anyway toothless was telling me about all of the things I forgot." said Hiccup

" Thats good son. Was any of it familiar to you." said stoick.

" Not really sir. Toothless only really brought up adventures between me and him. He didn't mention you or the others that much." said hiccup

" I can help fill you in." said Fishlegs who was pretty much invisible.

"Well at first you were the village outcast, runt and screw-up. Then your dad put you in dragon training class to learn how to kill dragons. During that time you were secretly training with toothless who you actually shot down during a raid. At first you were failing miserably then as you learned new tricks from toothless you became top of the class. Then you won the honor to kill the monstorous nightmare but were trying to tame it instead. Then your dad banged his hammer down on the rail spooking the nightmare. Then toothless came in and saved you. Your dad had otthless locked up and disowned you. The rest toothless should have told you." said fishlegs

"Wow way to be blunt legs." said ruffnut

"if you wanted to deliver bad news i could have told you instead." said tuffnut.

"You disowned me." said a downtrodden Hiccup.

Sensing the tension Stoick said "kids leave." "But Sir" "Do not question your chief leave now." said stoick resisting the urge to scream.

"you disowned me" said Hiccup.

The dragon trainers left and toothless tried to cheer hiccup up.

"Hiccup I understand you may be upset at me but you have to underst "YOU DISOWNED ME!" shouted hiccup.

" According to that story I just tried to help and could've done something great but you disowned me. Why? I can tell you why. You couldn't accept change. That was taking it way to far.

" Now Hiccup I will admit what I did was rash and harsh and wrong but I have apolagized for my actions and now we have a good father and son relationship." said Stoick

"what relationship! I can't remember it. How do I know your not lying just to get me on your side and train your dragons. How do I know you won't get rid of me when your done. Huh. How am I supposed to know!" shouted Hiccup clearly upset.

"Hiccup I am your father and you will not speak to me like that." Said Stoick

" How do I know if that is true. We don't even look similar. Your a giant and i'm a runt. Your have red hair and I have brown. Your look strong and I ... don't. You know aht i'm leaving." said Hiccup as he got up and left.

"Hiccup!" shouted Stoick.

\_Slam.\_ The door was shut and hiccup left.

Stoick left to go search for him.

\*\*Berks Forest. Night\*\*

" Stupid crazy man. Alvin was right he was trying to get rid of me." Grumbled Hiccup as he sat down on a rock.

"How would you like to come with me to Outcast Island. I know Alvin is missing yiu" said a silky mysterious voice.

To Be Continued Next Chapter.

## 8. Leaving

Remember Hiccup

Sorry i haven't updated in so long. I lost most of my writing on my computer and had to retrieve it. :( This will be very suspenseful but short so bear with me.

\*\*Cove: Berk\*\*

"Who said that?" Asked hiccup looking around for the mysterious voice.

"I did."

"And you are?" Said hiccup.

"I'm Lane Samuel Dire. Alvin sent me here to pick you up. He was very worried about what happened to his son."

"What i'm his son? I thought stoic was my"

"Don't tell me you actually believed him! Alvin is your father. Stoick is just a jealous brute who wants what he can't have." Said Lane.

" I knew it. But what about disowning me." Said hiccup still confused.

"Oh he kidnapped you when you were young during a raid on outcast island. You see his wife had \_passed \_and he didn't have an heir. He saw you and took you. You were about three years old by then. He lied to you saying you were his own because he was desperate for an heir. You were treated like trash under the tribe and by him. The only reason he wants you is because you trained dragons and became a hero. If you didn't then you would be worthless. Understand Hiccup. I realize it's a lot to take in but

"Wait you said you could take me back to outcast island." Said a hopeful Hiccup.

"Oh yes. Savage has a boat waiting toward the back of the island. Grab your dragon and let's go." Said Lane.

"Okay i'll meet you there." Said Hiccup already leaving to get Toothless.

\*\*Chiefs House: Berk\*\*

"Oh hiccup come back to me son.

\*\*In front of the Chiefs House: Berk\*\*

"Hey toothless were gonna go on a little flight alright." Said Hiccup

Toothless and hiccup took off to reunite with Hiccups \_father\_.

\*\*Back of Berk:\*\*

"Glad you could make it Hiccup."

## 9. Filler

To all my loyal followers. Sorry I haven't updated in forever. I had to take Midterms, apply for jobs, and I was just plain lazy. However

you all waited very patiently and for that I thank you. As for Shipplings, my previous ones were a mess. So it will either be Astrid, OC, or Toothless. Quick Recap: Hiccup is going back to outcast island. Warning \*\*Short Filler.\*\*

Remember Hiccup Chapter Nine

\*\*Outcast\*\*

\*\*Behind Berk\*\*

"So Lane." "Yes Hiccup." "What is your relation to me?" "What do you mean?" "Were we friends, family, or something more?" Asked Hiccup. "We were friends. You were thinking about teaching me how to train a dragon but we couldn't find one that would suit me." "Oh. Well when we get back that's the first thing i'll do. Any dragon in mind." Asked Hiccup. "Not really. Your the Dragon expert after all." "Alright. Well go on a dragon search then too." Said Hiccup.

"Theres the boat, let's go" Said Lane. "Savage set course for Outcast Island. It's time to reunite our chief with his son." "Yeah yeah. Getting bossed around by a brat." "What was that. Do you want to face the wrath of a spartan." Growled Lane. "No" Said Savage. "Thought so". "So long Berk you'll never steal me again." The small boat sailed back to Outcast Island.

\*\*Berk\*\*

"Chief. Chief." "Yes Bucket, Mulch." "We just saw a boat leaving the island." "So" Said Stoick. "It was an outcast ship." "The outcasts got my son. Get the fleets ready we go to war." Yelled Stoick.

\*\*Boat\*\*

"Lane what was that about spartan." "I am a spartan Hiccup. I keep forgetting you lost your memory so you wouldn't remember me telling you that." "Then what is a spartan." "A spartan is a person from Sparta. A Greek city state well out of the archipelago that is focused on war and fighting." "Then what are you doing on Outcast Island?" "None of your business" Said Lane forcefully. "Sorry. I see the island coming up." Said Hiccup. "Your right. Savage dock the ship. NOW!" Said Lane. "Outcasts my Son has returned. Start the Celebrations." Said Alvin. The sound of festivities going on in the background.

Sorry that is very short. It's a filler chapter that will lead into an eventful story arc. What Dragon Should Lane have? Reply in the Reviews.
